

LUG General Body Meeting

Spring 2026

January 28th, 2026

Start presentation on next slide.

Linux Users' Group @ UIC

LUG General Body Meeting - Spring 2026

Please fill out the form and take attendance. It helps us out a lot!

Welcome!

We are currently giving people time to get to the event and setting up. Feel free to get comfortable.

Pizza and soda will be distributed after the presentation is over and the floor is opened to questions.

We will begin in 10 minutes or when enough people are present.

Table of Contents

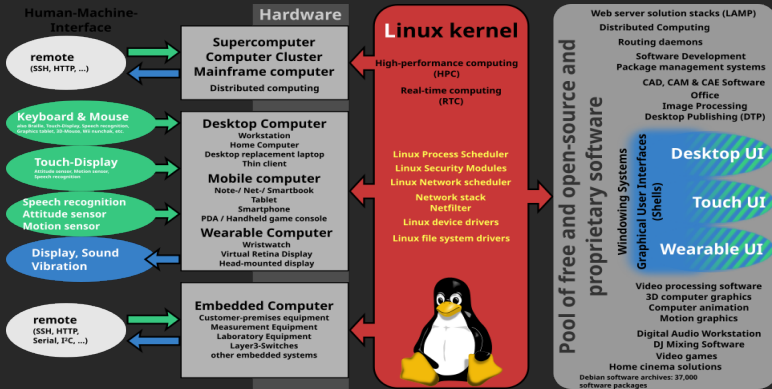

1. Introduction

2. What is LUG?

3. Who are we?

4. Getting Involved

What is Linux?

Linux: Kernel

- Hardware-Software interface
- Memory Management, Scheduling, and everything nice

Linux Distribution: OS

- “Linux Distros”
- Addtl. software on top of Kernel
- All boil down to package manager

Past Events

Past Events:

- LUG GBM FA 25
- Intro to ViM
- Address Sanitizer
- ACM X LUG LAN Party
- Thinkpads!
- Don't Be Scared! Game Jam
- LUG X WiCyS Intro to Cybersecurity

Figure 1: ACM X LUG LAN Party, Fall 2025

- Hosted by members
- No experience required; many learn by doing

Admin & Volunteers

Executive Board

Faculty Advisor: Professor
George Maratos

President: Michael Hanif Khan

Vice President: Jacob Cohen

Treasurer: Luke Deany

Graphic Designer: Valerie

Secretary: Bhumika

Secretary: Max Nguyen

Executive Officer: Harshit Modi

Contributors

- Luis
- Patrick
- Brayden
- Dan
- Scott

Additional Support

**Extensive Technical Support &
Head Sysadmin:** Chase Lee

CyberForce Mentor: Dr. Rigel
Gjomemo

CyberForce Support: SISL@UIC

Groups

Rubik

Group Lead: Brayden

Interested in learning about speedcubing? Practice your cubing skills, record times, and compete against other cubers by joining this group!

Asynchronous & Online.

Network

Group Lead: Patrick

Learn about networking from both a hardware and software perspective by creating a functioning router and analyzing network traffic. Project based. Meeting structure TBD.

Game Development

Group Lead: Luke

Learn about game development in Unreal Engine 5 from blueprinting to advanced UE5 features! Weekly meetings. Online, time TBD.

CTF

Group Lead: AJ

Develop Cybersecurity skills by participating in online and local CTF competitions on a weekly basis! Represent UIC & LUG against other teams and schools! Meets weekly. Location and time TBD.

Getting Involved

Events & Meetings

Host an Event!

- Anyone can host!
- Learn by doing
- Anything “Linux-y”

Become a Contributor!

- Help set up events!
- Put up posters!
- Develop event ideas

Infrastructural

Infrastructure

- Help us migrate to self-hosted!
- Improve existing services!
- Set up services for community and individual use!

Website Articles & Documentation

Write articles for the LUG Website!

- Event recaps
- Technical tutorials

Help document infrastructure & services!

Upcoming Events

Linux Week

Dates: Monday, 2/2/26 - Friday, 2/6/26 **Time & Location:** 4-5 PM, CDRLC 1413

Never used Linux before? Want a more definitive answer to “what distro should I use?” Join us for Linux Week, *NEXT WEEK!!!!*

SIG Sysadmin

Join our sister org, ACM's discord and keep an eye on the Sysadmin channel. They are extremely helpful and are the only reason our infrastructure actually works! If you're interested in networking, you will love this SIG! Scan QR for ACM Discord.

Group Meetings

Attendance & Pizza

Please fill out the form and take attendance. It helps us out a lot!

Thank you for attending!

Pizza will be distributed shortly. Please only come back for seconds once everyone has been given the chance to take a slice. Please only take one slice until you go back for seconds. Thank you!
